

Travel Preparation

Flights: *prices vary

Return cost approx. \$1000 return.

Return leg must allow for customs transit time.

1st leg: Melbourne, Australia – Brisbane, Australia

2nd leg: Brisbane, Australia – Honiara, Solomon Islands

Potential for a 3rd 'in-country' flight depending on project destination. Return costs from Honiara for domestic flights approx. \$350

Boat/Truck Transport

Transport in country is limited by rudimentary infrastructure. Transit costs by boat/truck around islands varies. We advise that Solomon Dollars are carried by team members to contribute to fuel costs.

Trekking

Depending on the destination, hiking/walking carrying gear through the tropical jungle may be required. Appropriate attire and personal protection is advised.

Registration with South Pacific Division

For insurance purposes, we need to register our travels. Please contact SPAH by email, or your team leader for details on registration with the South Pacific Division.
